Software for an artist, a maker, a studio or a gallery

An original is sold once - on your site, at your booth and at every gallery.

What it does

- What kind of creative are you?
- For inventors and product makers.
- The sample studio adds one invented author with one book when Author is ticked.
- Booth sales on TEG Companion.
- Certificates of authenticity with a QR code to a public verify page, and price lists and tearsheets as PDF.

Price

Proposed: $249 a year or $1,245 once, one site.

Pro $499 a year or $2,495 once.

Founding customers

The first five businesses to choose TEG Creator get their first year at half price.

In return: a short selfie testimonial - a quick video on your phone, or a written quote with a photo, whichever is easier for you - permission to name you as a customer, and your honest feedback. We will e-mail you now and then to ask how it is going, and our feedback page is always open for comments, criticism and suggestions - all very welcome.
