E-mail marketing on your own WordPress site

Send e-mail campaigns from your own website, with no charge per contact.

What it does

- No charge per contact: the list can grow without the bill growing.
- Segments from what people bought and whether they open.
- Your customer list stays on your own server.
- Results you can point at.
- Deliverability guardrails.

Price

$299/yr or $1,495 once.

Pro, with AI copywriting and language packs: $499/yr or $2,495 once. No per-contact charge, and a free 30-day Pro trial is built in.

Founding customers

The first five businesses to choose TEG-MARKETER get their first year at half price - $149.50 instead of $299.

In return: a short selfie testimonial - a quick video on your phone, or a written quote with a photo, whichever is easier for you - permission to name you as a customer, and your honest feedback. We will e-mail you now and then to ask how it is going, and our feedback page is always open for comments, criticism and suggestions - all very welcome.
