Software for a tire shop

Quote good / better / best tires with every fee, sell from DOT-dated stock by rack and keep TPMS and DOT registration records. Seasonal storage and road-hazard warranties too - from your...

What it does

- Sizes read and checked.
- DOT-dated stock by rack location, so the oldest tires go first, with an age warning on old lots.
- Good / better / best tire quotes with every fee on them, put on the repair order in one step.
- The door placard typed in once.
- DOT registration records and TPMS sensors per wheel, with the relearn note.

Price

$795 a year or $3,995 once, one site.

Pro, which also carries the language packs, $1,295 a year or $6,495 once.

Founding customers

The first five businesses to choose TEG Tire Shop get their first year at half price - $397.50 instead of $795.

In return: a short selfie testimonial - a quick video on your phone, or a written quote with a photo, whichever is easier for you - permission to name you as a customer, and your honest feedback. We will e-mail you now and then to ask how it is going, and our feedback page is always open for comments, criticism and suggestions - all very welcome.
